### MISCELLANEOUS

If a substitute plays two separate nights for the same team, then that player will no longer be considered a substitute but will be a regular player for that team. A player must have played at least **two nights** on the same team to qualify for that team for the money tournament.

Each player pays \$6.00 per week. Total collected \$48.00 (\$24.00 for quarters and \$24.00 for league).

Home team is responsible for sending in \$24.00 to the secretary each week (12.00 per team). Checks in the mail only if money and scoresheet do not arrive home team is responsible for missing money.

If a team forfeits, each team is responsible for sending in \$12.00 in dues to the secretary as well as the score sheet with the names of the players that would have played for team that was forfeited against. Team forfeited against receives 144 points and forfeit team receives 65 points. A bye score is also 144 points. Missing player 9 to 4.

Each team is responsible for sending in the \$12.00 in dues for the bye week.

**EXCEPTIONS: no dues for byes during the money tournaments.**

Team handicap is figured out by the difference of the total of each team's averages. For example if the home team has averages of 8,8,6,6, and the visiting team has averages of 7,7,7,5 then the handicap for the visiting team is 2 points per round ( $28-26=2$ ) or 8 points total. Missing player drop the top average for team with 4 players and calculate with the other three players averages. Handicap is figured out at the end of the match on the first night of pool after averages are figured out. Maximum team handicap is 36 points (passed May 2004).

Each team must have at least one player of the opposite gender playing each week.

League-central.com will be used to keep all stats and the league will be responsible for their portion of the annual fee.

Secretary salary is \$30.00 per team.
